

Adapt CT and the Climate
Adaptation Academy present:
*Managed Retreat in the Age
of Climate Change*

November 13, 2020

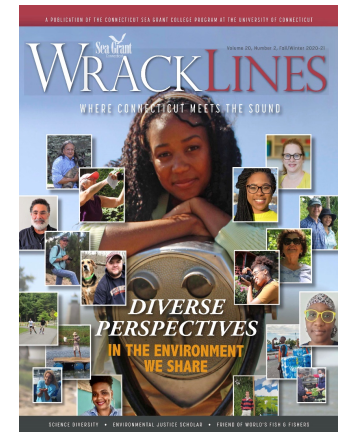

Connecticut Sea Grant

Connecticut Sea Grant is a state and federal partnership through UConn and the National Oceanic and Atmospheric Administration's National Sea Grant College Program.

We are focused on achieving healthy coastal and marine ecosystems and consequent public benefits through research, education, and outreach.

Focus areas: Healthy Coastal Ecosystems, Environmental Literacy, Resilient Communities, and Aquaculture/Fisheries

TO JOIN THE CTSG MAILING LIST AND THE LIST SERVE,
EMAIL JUDY BENSON, EDITOR, AT:

JUDY.BENSON@UCONN.EDU

*Print copies are provided free of charge as a public
service of CT Sea Grant*
