University of Connecticut
emily.wilson@uconn.edu

Aaron Budris
Senior Regional Planner
Naugatuck Valley Council of Governments
abudris@nvcoct.gov

Kim Bradley
CT Trails and Greenways Program Coordinator
Bureau of Outdoor Recreation
Division of State Park and Public Outreach
CT Department of Energy & Environmental Protection
kimberly.bradley@ct.gov

CT Trail Census
Trail use counts recorded by infrared counters, trail user surveys, and public education.

GOALS:
- Six years of count data
- 50 TrafX counter locations
- Interactive data dashboard
- Over 1000 surveys

CT Trails Program Impacts
- data informed decision-making,
- reliable tools to inform trail access,
- outreach to all audiences.

CT Trail Finder
cttrailfinder.com
The go-to website for discovering trails.
- All trail postings are manager-approved ensuring accurate information, authorized
- Trail connections by location, not owner
- For ALL audiences

Active Living (PATHS)
People Active on Trails for Health & Sustainability

Educators and outreach professionals who connect communities to their environment through active living.
- PATHS provides tools and resources to achieve equitable communities and a sustainable landscape.
- Informed by research and engagement to respond to environmental concerns, opportunities and barriers to outdoor activity, and community health risks.

BONUS
Accurate, statewide trails GIS layer
