

Basin Area within and Outside Each Buffer Zone

Includes:

For each sub-regional basin:

- Total area
- Water area

For each sub-regional basin and each of the 100ft, 200ft and 300ft buffer zones

- Acres outside of the buffer and water area
- Buffer area
- Percent of basin covered by the buffer zone
- Percent of basin covered by the buffer zone and water

Sub-regional Basin	Total Area (acres)	Water Area (acres)	100ft				200ft				300ft
